To Whom It May Concern:

Mr. Eric Goldman has asked that I write a letter of recommendation to support his application for a position with your firm, and I do so with pleasure.

We have known Eric for at least seven years. He was recommended to us by a printing company with whom we had done business for some time. We needed a graphic artist and tried him out. We were surprisingly pleased. Over the years, Eric has done a great deal of work for our several companies.

He is wonderfully creative, absolutely honest, credible, and unexpectedly versatile. He does good copywriting, is an excellent photographer, genuinely understands the mechanics and intricacies of sophisticated web design and its implementation as may be viewed at [www.grandvidere.com](http://www.grandvidere.com), [www.marcaindustries.com](http://www.marcaindustries.com), and at a site under development for another of my group of companies. You will be delighted with his artistry and creativity.

Eric is a valued member of our marketing group whom we learned to count on to be a hard-working self-starter and to get our work done in good time. He does not fail us, and you will do well to have him on your team.

If you wish a personal telephone call to discuss his candidacy, do not hesitate to telephone my direct line at 312-337-9973 or email me at [marca02@ameritech.net](mailto:marca02@ameritech.net). (E-mail communication is preferred.)

Sincerely yours,

Bruce Golden
